(5 and 10 Cent Counters Excepted)

For 15 Days, Aug. 6 to Aug. 23, Inclusive

On Cash Sales of \$1.00 or Over.

It is needless to take space to enumerate our different lines, as our stock is so well known. Suffice to say it is as clean and up-to-date stock of Crochery, fine China, Cut Glass, Common Glassware, Enamelled Ware and House Furnishing Goods as can be found in the State.

This sacrifice is made to reduce stock, as we must have the room for our new stock of imported goods that begin to arrive in September.

Remember 80c buys \$1.00 worth at this sale, \$10.00 worth costs you only \$8.00, \$20.00 worth only \$16.00. This is certainly worth taking advantage of.

Positively no credit given. All sales strictly cash.

No returns or exchanges will be allowed on sale purchases.

The Bijou has, in its new pictures to-day, a hypnotic film of unusual interest, called "The Two Cousins." The most instructive picture for some time is "Parks of Berlin." It is made up of authentic photographs of the great German city's beautiful parks. Many will consider that the best picture on the program.

Dreamland's feature picture in to-day's new program is "The Factory Girl." The basis for this picture is the life in a typical New England mill town. It is a story of evil passion, seducing ambition, innocent love with a triumph for the innocent and pure love. The dramatic possibilities are fully developed and the play holds the breathless interest of the audience from beginning to the happy ending. Some of those who see it will probably recognize the city in which the photographs were taken.

The song, "Daisy-land, I Love You," which Welsh is singing, accompanied by the very good playing of Prof. Cooke on the piano, will no doubt be well taken.

THE HARVESTER WINS.

Geer's Unbeaten Stallion Won the Queen City Stake.

Buffalo, N. Y., Aug. 12.—The Harvester, Ed. F. Geer's unbeaten stallion, yesterday afternoon at Fort Erie won the Queen City stake of \$5,000 for 2,000 trotters. It was an easy victory, the Harvester winning four straight heats.

In every heat a race plan was followed in the three events. The stallion covered the first mile in 2:08 1/4, but a slight rain which followed made the track about two seconds slower.

The Harvester was out in the pool selling and Carlokin, the California stallion, sold favorite. In the first heat Durfee's horse went to a bad break and before he settled down, the distance flag was dropped. Geer's H. finished second.

The 2,000 pace went to Geers who drove Walter W. under the wire in straight heats. McDonald, with Billy B., tired hard, but could get no closer that second.

Inner Guard, a prohibition favorite, easily defeated the Wolverine in the 2 1/4 mile, the closing gate. Jimmie Boynton, the young driver, chased out Inner Guard in the second heat, being beaten a short distance. The last heat saw Gladys, driven by A. McDonald, shoot to the front on the back stretch, but Inner Guard kept close up and a pretty race resulted in the stretch run. Gladys broke ten feet from the wire and was passed by the Wolverine.

HIS MACHINE REPAIRED.

Curtiss Is Intent on Continuing His Flying Trials.

Rheims, Aug. 18.—Landing heavily on came and suffering from a bruise on his right leg sustained when his airplane fell during a practice spin Monday, Glenn H. Curtiss, the American aviator, yesterday superintended the repairs to his damaged machine and last night had the satisfaction of seeing it entirely restored and ready for flight. Mr. Curtiss is eager to start immediately with the trials, but his friends are endeavoring to dissuade him from taking any chances, declaring that he will be likely to so augment his injury as to prevent his participation in the races which begin next Sunday.

Mr. Curtiss reluctantly acquiesced to the entreaties of his physician and friends and made no attempt to fly yesterday, but no surprise was felt if he again begins his tanning up spins to-day.

Mr. Curtiss describes Monday's accident as being primarily due to a leak in the gasoline tank, which caused the motor to stop. After this, cross-currents of air forced him heavily to the ground.

Tool sharpeners' notice.—A regular meeting of Tool Sharpeners' No. 2, branch, Granite Cutters' International Association, will be held in their hall, Nichols' Block, on Wednesday evening, August 18, at 7 o'clock. Jas. Mutch, Secretary.

An excellent Scotch picture is shown at the Comique theatre to-day and to-morrow, "Lechivar," taken from Sir Walter Raleigh's romantic story of the love that laughed at more than look-alike and to which even castle walls and haughty fathers were no bar, we see young Lechivar who "rode out of the west," his arrival at the castle as the marriage festivities are in progress, where he is admitted and during the one and last dance with his sweetheart Ellen suddenly seizes a sword from the wall, takes her in his arms and before anyone can stop him breaks one of the high windows and carries her down the castle wall. Because his horse is the best in the land the lovers succeeded. The presentation of this story is full of vitality, life and good red blood, and one's heart must beat faster when watching its unfolding and its happy termination at the altar. The story is interwoven with a wealth of scenic venture and old Scottish atmosphere that brings out all its picturesque details. Mrs. Russell's interpretation of many Scotch airs throughout the picture makes one feel as though really in the land of the Scottish chiefs.
